Capital Dynamics establishes presence in Zurich

Capital Dynamics is expanding its Swiss presence with a new office in Zurich. The office is located in the Swiss Exchange building, at the nexus of the city's financial community.

Capital Dynamics is committed to widening its network at both the international and local level. With an office in Zurich to complement activities at its headquarters in Zug, Capital Dynamics will be attractively positioned to foster new business within its home market, and be in closer proximity to many of the nation's high-quality managers. Moreover, by expanding its presence at home, Capital Dynamics will also be better placed to cater to its Swiss clientele.

Joerg Bode, Managing Director and Head of Business Development, says: "We are excited to put down roots in Zurich, a city that continues to gain importance as an international center of finance. Zurich is full of new business potential, and we are looking forward to capturing the opportunities and deepening our local relationships."
