Capital Dynamics has obtained alternative investment fund manager (AIFM) approval

ZUG, Switzerland, July 25, 2014 – Capital Dynamics Limited, part of Capital Dynamics, a global private asset manager, is proud to announce that it has received alternative investment fund manager (AIFM) approval from the UK Financial Conduct Authority.

The AIFM Directive creates a robust, harmonized regulatory framework for the benefit of investors and strengthens the oversight of companies managing alternative investment funds. It enhances the transparency of fund management activities of AIFM-approved funds through increased risk management and reporting requirements.

Stefan Ammann, CEO of Capital Dynamics, says, “At Capital Dynamics, we take pride in our commitment to best practices in private equity fund management. Receiving AIFM approval is a milestone and an important formalization of the best-in-class service that we provide to our clients”.
